Welcome,

Talk With The World

Call friends and family on Skype for free or mobiles and landlines across the world at low affordable rates.

Powerful Features For Groups

Skype offers a fantastic group calling experience. Simple and powerful group messaging brings people closer together.

Bring Skype Everywhere

Take your conversations on the go and keep everything in sync. Available on iOS, Android, Windows, Mac, Linux and Xbox.

Not you? [Check account](#)

Skype is not a replacement for your telephone and should not be used to send emergency SMS messages or calls.

Windows taskbar with icons for Start, File Explorer, Edge, Word, and Skype. System tray shows network, volume, and date/time: 9:19 AM 12/7/2017.
